

# SPONSORSHIP OPPORTUNITY

## 4th African Bioacoustics Community conference

1st - 6th of September 2024  
Breakwater Lodge, Cape Town

The 4th African Bioacoustics Community conference will showcase the diverse field of bioacoustics, focusing on achievements in Africa, bringing together researchers from Africa and around the world!

## WE ARE SEEKING FINANCIAL SUPPORT TO HELP US HOST THIS SCIENTIFIC EVENT

In recognition of your generous support, your organisation will receive widespread acknowledgement and promotion at the conference, on our website, social media and YouTube channel, as well as via media coverage of the event, along with complimentary conference registration.

## ABOUT THE CONFERENCE

Our main goal is to put African bioacoustics research on the map as we strive to make the science of sound more accessible on the African continent. Our previous conferences have been a wonderful success, with hundreds of attendees and presenters, including plenary talks world renowned experts! This year's conference promises to uphold this success, being held in a special tourist location. We create a diverse and inclusive environment where new ideas are valued and shared, different approaches are celebrated, students gain equal access to academic learning, and relationships are made between researchers across the globe.

We work to raise funds to support the attendance of African students.
